**DIVOTS, DRIVERS AND DUCATS... APPLE FEDERAL CREDIT UNION'S
GOLF TOURNAMENT RAISES RECORD FUNDS FOR CANCER RESEARCH**

FAIRFAX, Va., June 15, 2007—The scorecards are in! Apple Federal Credit Union's 6th Annual Charity Golf Tournament raised more than \$28,000 on the green, June 12, 2007, for the American Cancer Society (ACS). Proceeds earned will benefit cancer research, educational programs and patient services provided by ACS, a cause for which Apple FCU has raised more than \$125,000 since the tournament's inception.

Forty area sponsors and over 100 players were lured to the links at Reston National Golf Course (11875 Sunrise Valley Dr., Reston, Va.) for one common goal, to take a swing at cancer. Tournament registration, mulligan sales, 50/50 raffle tickets and a silent auction filled with golf and sporting memorabilia, were just a few of the fundraisers employed for the event.

"Because of the philanthropic vision and generosity of Apple Federal Credit Union, this year's Charity Golf Tournament was able to raise more than \$28,000 for the American Cancer Society; a record for the event's six-year history," says Karen L. Brav, ACS Golf Director, South Atlantic Division, Inc. "And it is the patients battling cancer and their families that will directly benefit from this generosity through the education efforts, programs and services that the American Cancer Society is able to regularly provide thanks to gifts like those made by Apple FCU."
